FY 2002 Media Services Regulatory Fees Clarification of AM Broadcast Radio Stations

CLASS B AND CLASS D AM BROADCAST RADIO STATIONS

The Federal Communications Commission prepares an annual list of AM and FM broadcast radio stations organized by call sign in connection with the Assessment and Collection of Regulatory Fees, Report and Order (Report and Order). This list is referenced in Attachment J to the Report and Order and is available from the FCC's Public Reference Room, CY-A257, 445 12th St., S.W., Washington, DC 20554.

Information from the list is available by call sign through the FCC website, www.FCC.gov, or by calling the Consumer Information Center at (888) 225-5322.

In this year's list of AM and FM broadcast stations, a small number of AM stations that were previously classified as Class D were erroneously classified as Class B. If you are a licensee of a station listed as Class D last year and are presently listed in the Attachment J listing as a Class B station, and you have made no modifications to your station that would affect its class, you should pay the regulatory fee assessed for a Class D station.
